THE INDIAN INSTITUTE OF WELDING
(Delhi Branch)

Phone : +91 9999880345 | E-mail id: iideldhi@hotmail.com

THE INDIAN INSTITUTE OF WELDING

The Indian Institute of Welding is a national level professional body of welding fraternity devoted to the promotion and advancement of Welding Science and Technology. Established in 1966 with headquarters at Kolkata, it is having eleven branches located at Bangalore, Baroda, Bhilai, Chennai, Cochin, Delhi, Jamshedpur, Kolkata, Mumbai, Tiruchirappalli and Visakhapatnam. The IIW has about 5000 welding professionals as Members and over 300 industries as Industrial Corporate Members. Apart from holding seminars / conferences, courses etc. IIW conducts Associate Membership Examination (AMIW) equivalent to Degree in Engg., which is recognized by AICTE & MHRD.

IIW publishes Indian Welding Journal in collaboration with American Welding Society that covers latest techniques in welding, case studies, activities of branches and future programmes of IIW and AWS.

IIW is a member of The International Institute of Welding and has acquired Authorized National Body (ANB) status, through which IIW awards internationally accredited professional certificates such as Welding Inspector etc. through Authorized Test Bodies located in various parts of India.

IIW is also a member of the Asian Welding Federation.

IIW - DELHI BRANCH

IIW-Delhi Branch is one of the active branches covering Northern India. The branch has strength of about 300 members. It regularly organizes seminars, technical lectures, courses, industrial visits, national events etc. Delhi Branch is also a center of AMIIV exam. Delhi Branch executive committee consists of highly qualified members from industries and academic institutions.

IIW-Delhi Branch is having its own office in Janakpuri District Centre, New Delhi.

ABOUT THE SEMINAR

The seminar will cover papers on the latest trends and advancements of welding in:

1. Automobile Industry
2. Pipeline Industry
3. Wagon / Coaches Industry
4. Thermal / Hydrel / Nuclear Power Plants
5. Bridges / Tanks / Pressure Vessels

It is expected that about 200 delegates from various fields shall be attending the seminar. The meet will be a showcase for welding industry. It shall be a great opportunity to learn about developments and continual research in this field.

CALL FOR PAPERS

Welding professionals in industries, Research and Development and in academic field are invited to present their paper towards work carried out by them for above mentioned Seminar topic. Case studies involving innovative work will also be accepted. The abstract of the paper may be sent by **06th March, 2010**, along with a biodata of the authors to:

Mr. Som Ashutosh

B-506, Arunima Palace
GH-4, Sector 4
Vasundhara, Ghaziabad, U.P.
Tel : +91 9999880345
Email: iideldhi@hotmail.com

After review of the abstract by the technical committee, authors will be intimated about its acceptance by **13th March, 2010**. After getting the acceptance, the full papers should reach us by **27th March, 2010**.
