

Dear Sirs/Madam,

The Indian Institute of Welding, is organising the **National Weld Meet 2010 (NWM 2010)** on **Friday, 6 August 2010** at **The Sunway GRT Grand, Puducherry**. The National Weld Meet is a prestigious annual event of the Indian Institute of Welding. NWM 2010 is expected to draw about 300 delegates. About 60 papers, covering different themes in welding and allied fields, are expected to be presented at NWM 2010 by delegates from the power, petrochemical, defence, surface transport, heavy fabrication, automobile, nuclear, space, food, welding consumables and equipment manufacturers, and other small scale industries. The theme of NWM 2010 is '**RECENT ADVANCES IN WELDED FABRICATION**'.

I **invite you** to be a part of this major showcase event in the welding calendar of the Indian Institute of Welding, by **presenting a paper at NWM 2010**. We would also be glad if you could get your company to (i) **advertise in the Souvenir** being brought out on the occasion and/or (ii) **become a sponsor**. I am sure my colleagues in the Chennai Branch will leave no stone unturned to make your stay in Puducherry during NWM 2010 a fruitful, memorable and a pleasant one, both professionally and personally.

We would be honoured to have your presence and look forward to meeting you in Puducherry on 6th August 2010. Also, we request you to kindly inform your friends and contacts about this National Weld Meet.

With my best personal regards,

Hasan Shaikh

Chairman, IIW-India, Chennai Branch
