Offers INTERNATIONAL DIPLOMA COURSES IN WELDING

**International Welding Engineer (IWE) &
International Welding Technologist (IWT)**

Cornerstone Academy Private Ltd (CAPL) has been provisionally approved as ATB to conduct classes for both IWE and IWT courses. To teach the courses effectively CAPL has put together a team of faculty members with vast experience in teaching welding engineering and in Industry. Guest lecturers are drawn from leading educational and research institutes such as IIT Madras, IGCAR and DRDL.

ELIGIBILITY

- B.E degree or equivalent in Mechanical/Metallurgical/ Manufacturing/ Production Engineering with a first class for IWE.
- Diploma in Mechanical/Metallurgical Engineering for IWT.

THEORY CLASSES

Each student has to undergo a minimum of 380 hours of theory classes for IWE, 280 hours for IWT and 60 hours of practical classes common to IWE & IWT as stipulated by the International Authority. Minimum number of classes per week would be 18 hours. Duration of the course will be 6 months.

INTERNSHIP

Students without any industrial experience need to do a 3 months internship in an industry where welding is a major fabrication process. This will be arranged by CAPL in industries having a tie up with the academy. The students can work as interns during day shifts (8AM to 2PM) for 5 days a week and attend the theory classes at the academy.

EXAMINATIONS

All Intermediate and Final Examinations will be conducted under the authority of the 'Board of Examiners, The Indian Institute of Welding-ANB'. This will involve question setting, arrangement for invigilation and answer-script evaluation to international standard. The course demands hard work from the students which includes weekly assignments and monthly tests. Library facilities will be provided to students by CAPL at their premises.

FEE PAYABLE

Total – Rs 85,000 (for IWE) & Rs 65,000 (for IWT)

JOB GUARANTEE

CAPL guarantees jobs to all the candidates who obtain their diplomas by passing the final exams to be conducted by IIW-India-ANB. Help will be extended to other candidates who could not pass the exams in terms of further free training and placement assistance.

HOSTEL AND MESS

Lodging and boarding will not be provided by CAPL. Rooms and private hostels are available at a walkable distance from the institute. Assistance in finding accommodation will be extended to out station students.
