

DON BOSCO TECH - KOCHI : ATB KOCHI-682 023 INDIA

Approved Training Body of International Institute of Welding under the authority of
the Authorised National Body 'The Indian Institute of Welding –ANB'

Don Bosco

Don Bosco is a towering personality of the 19th Century who ventured greatly into the field of education with innovative vision and creative action. The society founded by him is presently functioning globally in 133 countries with 1877 institutions. In India Don Bosco has 127 formal / non-formal vocational training centers spread over the entire country.

Don Bosco Tech - ATB

Don Bosco has been certified as Authorized Training Body with adequate facilities for various types of welding like MMAW, TIG, MIG/FCAW and Cutting facilities like oxyacetylene and Plasma Cuttings. The ATB is approved to conduct the 'International Welder (IW) Diploma awarded for International Fillet / Plate / Pipe Welder on behalf of International Institute of Welding (IIW) as per IAB Guideline of the International Institute of Welding.

After successful theoretical and practical examination, the Authorized National Body (ANB-India) awards Diploma of the appropriate level as International Fillet Welder (IFW) or International Plate welder (IPW) or International Pipe/Tube Welder (ITW) on behalf of the International Institute of Welding. The above Diploma is valid for life.

Welder's Skill Certification

On successful completion the trainee gets a Diploma certificate from International Institute of Welding as well as ISO 9606-1 or EN 287-1 Welder's Approval Test Certificate from Indian Institute of Welding-ANB. This certification helps one to get good job in a reputed quality conscious fabrication company in the country and abroad.
